Liz Walsh

for Western Metropolitan

Hi, I'm Liz.

Politics as usual is broken. If we want to deal with out-of-control inequality, the housing crisis, or the climate disaster, we need a radical shift in our political system.

I'm a Maidstone resident, a new mum, and a long-time community activist. For 20 years, I've linked arms on pickets with striking workers, stood with migrants and refugees, and campaigned for better environmental protections, community facilities, and public services.

I'll stand up to major party politicians and their corporate mates, and fight for a city that works for everyone, not just the billionaires.

Regards,

Liz Walsh
