FIONA PATTEN'S
reason

Dear Voter,

Never before has there been a greater threat to women's rights in Victoria. That is why I am writing to you, as you place your vote.

What happened with Roe v Wade in the USA can happen here. The religious right have been working hard behind the scenes to ensure that they get the balance of power in our next government.

This could mean winding back the progressive policies that we have fought so hard for. Like:

- ✓ Abortion rights
- ✓ Contraception rights
- ✓ Decriminalised sex work
- ✓ Voluntary assisted dying
- ✓ LGBTIQ equality

In my last week of parliament I tried to stand up for you and ensure all government funded hospitals provide contraception and abortions. The Labor and Liberal Parties revealed their true agendas and shot the bill down.

Today I commit, if I am fortunate enough to be re-elected, that in the first 100 days of the new Parliament I will introduce new legislation to broaden public health system access for abortion and contraception.

I pledge to you that I will stand up for women and their rights, everytime. We will not go back! Please, vote 1 Fiona Patten Reason Party.

Yours,

IF ELECTED, WE WILL BE YOUR VOICE FOR:
