Jerome Small
for Northern Metropolitan

Hi, I'm Jerome.

For too long in the northern suburbs, our votes have been taken for granted.

At election time, politicians talk about taking care of working people – then they disappear for four years with their \$300,000 salaries and take care of themselves.

I'm a long-time construction worker who's lived in the northern suburbs for 30 years. I'm a lifelong unionist, environmental campaigner and anti-racist activist.

I'll stand-up to major party politicians and their corporate mates, and fight for a city that works for everyone, not just the billionaires.

Regards,

Jerome Small
