Jerome Small
for Northern Metropolitan

Hi, I'm Jerome.

Politics as usual is broken. Living standards are going backwards, rents and housing costs are out of control, schools and childcare services are underfunded, and the health system is in crisis.

I'm a long-time construction worker who's lived in the northern suburbs for 30 years. I'm a lifelong unionist, environmental campaigner, and anti-racist activist.

I'll stand-up to major party politicians and their corporate mates, and fight for a city that works for everyone, not just the billionaires.

Regards,

Jerome Small
