John Pesutto
Victorian
Liberal Leader

A vote for Courtney Mann and the Liberals today will ensure an alternative to a tired, corrupt and incompetent Labor Government.

A Labor Government that can't manage money and now wants to tax visits to the doctor.

A Labor Government that has introduced new taxes that increase the cost of rent, housing, and sending your kids to school.

We need to lower taxes and get the cost of living down, not add to it with new taxes, higher debt and Labor's \$30 billion in cost blowouts.

Courtney Mann and the Liberals will stand up for you and your family in the Victorian Parliament.

A vote for Courtney Mann and the Liberals today will ensure you will have a strong advocate against Labor's Health Tax.

The Victorian Labor Government has admitted that its unfair Health Tax will force the closure of GP clinics, drive up the cost of basic healthcare, and hurt bulk billing.

Courtney Mann will continue to fight for you and your family in State Parliament to ensure this unfair Health Tax is stopped.

Georgie Crozier
Shadow Minister for Health

A vote for Courtney Mann and the Liberals today is important for our future.

Courtney has a young family and understands cost of living pressures, and will fight Labor's unfair hits on family budgets. Courtney will stand up against Labor's plans to ban gas connections in homes. Courtney will ensure the neglect of the local roads, public transport, and hospitals will no longer occur.

This time, vote Courtney Mann and the Liberals to stand up for you in Mulgrave.

Trung Luu
Shadow Parliamentary
Secretary for Multicultural Affairs
