VOTE **1** GREENS FOR MORE CLIMATE ACTION, AFFORDABLE HOUSING AND INTEGRITY

“ As a local teacher and activist I will be a strong voice in Parliament for our community. The Greens will hold Labor to account and push them to deliver on climate action and make housing affordable.

Positive change starts with voting for people who will fight for you and what you believe in. Vote 1 Campbell Gome.”

CLIMATE

No new coal and gas. 100% renewable energy by 2030. Stop drilling for gas near the 12 Apostles.

HOUSING

Tackle the housing crisis. Build 200,000 more affordable homes, cap rent increases and make property developers pay their fair share.

SCHOOLS

More funding for public schools and stop out of pocket expenses for families. Protect LGBTIQ+ kids at school.

INTEGRITY

Clean up politics by giving IBAC more teeth. Ban dodgy donations from property developers and the gambling industry. Truth in political advertising laws.

COST OF LIVING

Reduce the cost of living with cheaper clean energy, genuinely free education, and reduced transport costs.

FIRST NATIONS JUSTICE

Keep children safe from prison. Work with First Nations people to get Treaty, Truth and Voice done and protect cultural heritage.

NATURE

Stop logging native forests from next year and bring forward the transition plan for workers. Create jobs restoring nature.

HEALTH

Make it easier for people to see a GP, free up hospital beds and get ambulances back on the road. Give our hard-working public health workers better pay.

PAYING FOR OUR PLAN - The Greens will make the big banks, property developers and the gambling industry pay their fair share so we can invest in climate action, affordable housing and public services for all.
