Hi, I'm Jerome.

Politics as usual is broken. We need a radical shift in our political system to deal with out of control inequality, the housing crisis, and the climate disaster.

I'm a long-time construction worker who's lived in the northern suburbs for 30 years. I'm a lifelong unionist, environmental campaigner, and anti-racist activist.

I'll stand up to major party politicians and their corporate mates, and fight for a city that works for everyone, not just the super-rich.

Regards,
