It's time to de-corrupt politics and implement sustainable solutions for our future. Send them a message.

DON'T WASTE YOUR #1 VOTE ON A MAJOR PARTY!

- Protect Mulgrave's local environment, heritage and liveability
- Take action on climate change
- Better public transport
- Ban all property developer donations
- Return real planning powers to local communities
- Deliver new community infrastructure before more housing
- Invest in public housing and call on the federal government to **solve the housing crisis** by reducing hyper-demand, including stabilising Australia's population size - and therefore ease the cost-of-living crisis.

Sustainable Australia Party is an **independent community movement** with a **science and evidence-based** policy platform. We are the *only* political party to **put our environment first** - and therefore our health, economy and quality of life.
