Hi, I'm Jerome.

For too long in the northern suburbs, our votes have been taken for granted.

At election time, politicians talk about taking care of working people – then they disappear for four years with their \$300,000 salaries and take care of themselves.

I'm a long-time construction worker who's lived in the northern suburbs for 30 years. I'm a lifelong unionist, environmental campaigner and anti-racist activist.

I'll stand-up to major party politicians and their corporate mates, and fight for a city that works for everyone, not just the billionaires.

Regards,

*Jerome Small*
