A POSITIVE VISION FOR VICTORIA

HONEST GOVERNMENT END THE CORRUPTION

- Improve IBACS's investigative powers to conduct public hearings & to expose corruption in the public sector.
- Treat adults like adults by reduce government interference in your life.
- Reduce spending, by cutting wasteful government departments excluding frontline workers.
- Introduce a Bill of Rights because protecting human rights is at the centre of democracy.

Restoring integrity to parliament

REBUILD SMALL BUSINESS & ENSURE A STRONG ECONOMY

- Remove the red tape that strangles small business.
- Lower taxes so businesses can reinvest and grow.
- Bring real business representation to government.
- End government mandates & lockdowns.
- Allow entrepreneurs to flourish by removing regulations that stop innovation.
- Allow employees to choose their Union and end the monopoly.

Unions should represent people not politicians

SUPPORT FAMILY & COMMUNITY BY PUTTING VICTORIANS FIRST

- Stop welfare dependency by creating local opportunities for people to succeed.
- Scrap Stamp Duty on all land transfers, to make buying a home more affordable.
- Support independent education like co-ops and micro schools.
- Education reform by funding children not institutions.

*Government Funded Schools =
Government Curriculums*

REDUCE COST OF LIVING

BY SUPPORTING AFFORDABLE ENERGY

- Increase reliability and reduce costs:
 - Scrap Renewable Energy Targets
 - Reduce gas market interventions
 - Repeal nuclear energy ban
- Make energy regulations fair & consistent.
- Address climate concerns without increasing your cost of living.

*Nuclear is the lowest emitter of carbon dioxide, generates significantly less waste than solar energy & requires less land.
Australia has all the ingredients to be a world leader in nuclear energy.*
