Who Will Protect Your Family From The Major Parties' Radical Policies?

Cutting COST OF LIVING

Want to know why your cost of living is going through the roof? The major parties are out of control. Family First will pause the rush to renewable energy and cut environmental red tape.

Protecting WOMEN

The major parties are obsessed with the radical LGBTIQ+ agenda. And their obsession is hurting your family. Family First will protect women and introduce a legal definition for the words 'woman' and 'female'.

Standing up for your FAMILY VALUES In Education

Family First will ban Drag Queen Storytime events from public buildings. And we will abolish gender-fluidity classes and programs in schools that teach kids that only they can know whether they are a boy or a girl.
