Liz Walsh

for Western Metropolitan

Hi, I'm Liz.

For too long in the western suburbs, our votes have been taken for granted. The politicians are too overpaid and out of touch to do anything about the cost of living crisis or the appalling state of our public transport, schools, hospitals or childcare system.

I'm a Maidstone resident, a new mum, and a long-time community activist. For 20 years, I've linked arms on pickets with striking workers, stood with migrants and refugees, and campaigned for better environmental protections and public services.

In parliament I'll stand up to major party politicians and their corporate mates, and fight for a city that works for everyone, not just the billionaires.

Regards,

Liz Walsh
