About Me

"As a lifelong Werribee resident, devoted dad, local businessman and passionate community advocate, I am proud to call Wyndham my lifelong home.

Over the years, I've volunteered, supported local clubs and built lasting relationships with the people who make this community great.

Now, I'm running as an independent candidate in the Werribee by-election to address the critical needs of our growing city.

It's time to give back to the community that's given me so much".
