Jerome Small

for Northern Metropolitan

Hi, I'm Jerome.

Politics as usual is broken. If we want to deal with out of control inequality, the housing crisis, or the climate disaster, we need a radical shift in our political system.

I'm a long-time construction worker who's lived in the northern suburbs for 30 years. I'm a lifelong unionist, environmental campaigner, and anti-racist activist.

I'll stand up to major party politicians and their corporate mates. I'll fight to save Preston Market from the developers' wrecking ball, and for a city that works for everyone, not just the billionaires.

Regards,

Jerome Small
